

Jainism: An Introduction

Filesize: 1.23 MB

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Jainism: An Introduction, Jeffery D. Long, Jainism evokes images of monks wearing face-masks to protect insects and mico-organisms from being inhaled. Or of Jains sweeping the ground in front of them to ensure that living creatures are not inadvertently crushed: a practice of non-violence so radical as to defy easy comprehension. Yet for all its apparent exoticism, Jainism is still little understood in the West. What is this mysterious philosophy which originated in the 6th century BCE, whose absolute requirement is vegetarianism, and which now commands a following of four million adherents both in its native India and diaspora communities across the globe? In his welcome new treatment of the Jain religion, Long makes an ancient tradition fully intelligible to the modern reader. Plunging back more than two and a half millennia, to the plains of northern India and the life of a prince who - much like the Buddha - gave up a life of luxury to pursue enlightenment, Long traces the history of the Jain community from founding sage Mahavira to the present day. He explores asceticism, worship, the life of the Jain layperson, relations between Jainism and other Indic traditions, the Jain philosophy of relativity, and the implications of Jain ideals for the contemporary world. The book presents Jainism in a way that is authentic and engaging to specialists and non-specialists alike.
