Imagine a year without spending any money. Former businessman Mark Boyle did just that and here is his extraordinary and compelling story. Going back to basics and following his own strict rules, Mark learned ingenious ways to eliminate his bills and flourish for free. From making paper out of mushrooms and to constructing a rocket stove from discarded catering cans, Mark advocates a return to local economics where we can see the consequences of what we consume. Heart-warming and witty, learn how Marks mission affected his relationships. What did his parents think of his crusade Can you keep a girlfriend when you are moneyless Do your friends keep in contact when you cant go out for a beer A testament to Marks astounding determination, this thought-provoking book will make you re-evaluate your relationship to your wallet.
