Brand New Book ***** Print on Demand *****.Is the death of a policeman s wife in any way related to the death of a retired gynaecologist just a couple of weeks earlier? Or, was the gynaecologist s death an accident and someone later used the same MO to confuse the situation? DI Simon Grant would have had his work cut out for him even if it wasn t for the uncomfortable fact that it is all happening practically on his doorstep, that one of the victims is a member of his extended family and the other one the wife of a colleague. Involvement of the Secret Service threatens to render the case unsolvable.
