TARZAN OF THE APES

The Library of America. Hardback. Book Condition: new. BRAND NEW, Tarzan of the Apes, Edgar Rice Burroughs, Thomas Mallon, In 1888, in a makeshift cabin at the edge of the West African rainforest, a child is born to Lord and Lady Greystoke, a castaway English diplomat and his young wife. After the doomed couple dies, their infant son is raised by the she-ape Kala, who calls the boy Tarzan White-Skin in the language of her tribe. As Tarzan reaches adulthood, his strength and agility, quickness of mind, and skill with his father's knife make him the most feared and respected creature in the jungle. But when he encounters others of his kind, including the beautiful Baltimore socialite Jane Porter, he embarks on a far-flung quest for his birthright the ways of so-called civilized man. Tarzan first appeared in 1912 in the pages of "The All-Story" magazine and immediately captured the imaginations of American readers young and old. His later triumphs in Hollywood, in comic strips, and on radio and television made him an international pop culture icon. On the occasion of his centenary, The Library of America invites readers to rediscover "Tarzan of" "the Apes," the pulp classic by Edgar Rice Burroughs that gave the world the once and forever Lord of the Jungle."
