## GLOBAL ECONOMICS (THIRTEENTH EDITION)

DOWNLOAD

South Western/Cengage Learning, 2013. Softcover. Book Condition: New. 5th or later edition. A streamlined, concise presentation of essential economic theory allows you to provide a solid theoretical foundation for more in-depth explorations of contemporary issues such as wage insurance, foreign aid, and free trade`s impact on the environment. The text demonstrates the relevance of theory through a wealth of up-to-date, real-world examples and applications, including illustrations of the complex consequences of outsourcing, globalization, free trade, tariffs, and exchange rate adjustments. The flexible format of GLOBAL ECONOMICS, 13e, enables you to present material in the order most appropriate for your course structure and goals by teaching chapters in a different order, or by easily teaching or omitting key portions of ed chapters. Six central themes are integrated through the text to provide a strong emphasis on issues at forefront of international economics today, including the global economic downturn, globalization, free trade and quality of life, trade conflicts between developing and industrial nations, trade liberalization, and the dollar as a reserve currency. The Thirteenth Edition devotes considerable coverage to the "Global Economic Downturn of 2007-2009" to help students understand this important real-world situation. Coverage includes an overview of the crisis in chapter 1, as well as exploration of issues such as trade protectionism, the U.S. fiscal stimulus and "Buy American" legislation, government subsidies to automakers, falling commodity prices and developing economies, the U.S. tax code and outsourcing, and global capital flows. In addition to emphasizing current economic themes and trends, the new edition has been updated to include many contemporary topics such as outsourcing and the U.S. auto industry, U.S. importation of Chinese textiles, the disenchantment of some national industry groups with the euro currency, the impact of global competition, and day trading in currency markets. New, online "Exploring Further" sections support...
