RISK GOVERNANCE: COPING WITH UNCERTAINTY IN A COMPLEX WORLD (PAPERBACK)

Taylor Francis Ltd, United Kingdom, 2008. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. Risk Governance is a tour de force. Every risk manager, every risk analyst, every risk researcher must read this book - it is the demarcation point for all further advances in risk policy and risk research. Renn provides authoritative guidance on how to manage risks based on a definitive synthesis of the research literature. The skill with which he builds practical recommendations from solid science is unprecedented. Thomas Dietz, Director, Environmental Science and Policy Program, Michigan State University, USA A masterpiece of new knowledge and wisdom with illustrative examples of tested applications to realworld cases. The book is recommendable also to interested students in different disciplines as a timely textbook on risk beyond risk . Norio Okada, Full Professor and Director at the Disaster Prevention Research Institute (DPRI), Kyoto University, Japan There are classic environmental works such as The Tragedy of the Commons by Hardin, Risk Society by Beck, The Theory of Communicative Action by Habermas, and the seminal volumes by Ostrom on governing the commons. Renn s book fits right into this series of important milestones of environmental studies. Jochen Jaeger, Professor at Concordia University, Montreal, Canada Risk Governance provides a valuable survey of the whole field of risk and demonstrates how scientific, economic, political and civil society actors can participate in inclusive risk governance. Jobst Conrad, Senior Scientist, Social Science Research Center Berlin, Germany Renn offers a remarkably fair-minded and systematic approach to bringing together the diverse fields that have something to say about risk . Risk Governance moves us along the path from the noisy, formative stage of thinking about risk to one with a stronger empirical, theoretical, and analytical foundation. Baruch Fischhoff, PhD, Howard Heinz University...
